

A DONATION IN YOUR HONOR...

As a REALTOR® I am not only dedicated to helping my clients, I am also committed to supporting my local community and our most vulnerable neighbors. **In celebration of your closing, a donation was made to the REALTOR® Foundation.**

Did you know that as many as 12,000 people experience homelessness in central Indiana each year?

Through the philanthropic work of the REALTOR® Foundation, over \$175,000 was awarded to local charities in 2017 serving homeless families, victims of domestic violence, homeless veterans and youth, and our communities' most vulnerable neighbors. Since 2003, more than \$2 million in donations from the local real estate industry has helped ensure central Indiana's homeless have access to safe and permanent housing solutions that positively change their lives.
